Some More Magic 8!

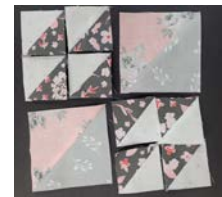

Using the Magic 8 Technique Sheet or Week 5 Block 4 pattern, make 8 HST from Color 2 and 8.

Press six of them towards color 2 and two of them towards color 8. This will be important for nesting the seams later. Trim to 2 x 2

Use color 5 and color 6 to make two HST's by drawing a line diagonally and sewing 1/4" on both sides of the line.

Press one towards color 5 and one towards color 6. Trim to 3 1/2 x 3 1/2

Lay out your pieces on your design board. Place the two small HST, that are pressed towards color 8, into the center of the block so that the seams will nest nicely.

Sew the pieces into quadrants.

Finish your block and don't forget to add the sashing.

Congratulations! Eleven down...
