Techniques:

Pieced Corners
HST

Sewing:

This block is the almost same as last weeks Block 15. In this case all four corners will be made of half square triangles. So let's begin there.

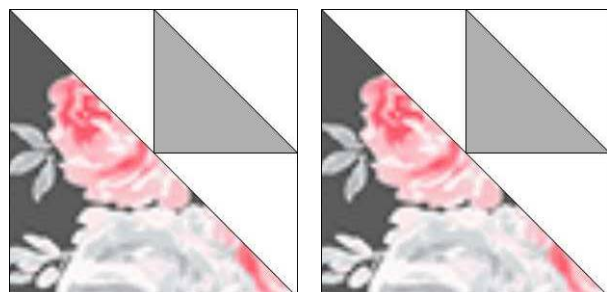

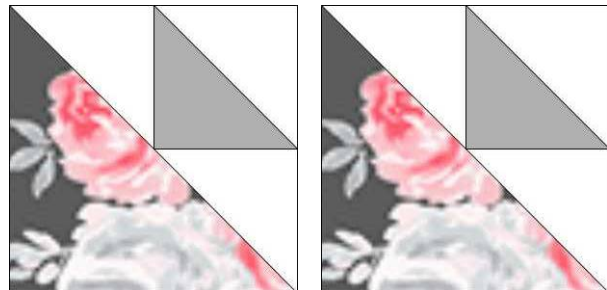

Use the un-cut Color 8 squares and the Color 10 squares to make four HSTs. Press your seams towards Color 10. When you add the Color 8 triangles to the sides, press towards the triangles.

Using Color 1 triangles, finish your quadrant. Remember, when layering, make sure you line up the square corners and not the diagonal. Press towards Color 1.

Make 4.

Build your block keeping all four quadrants pointed in the same direction.

30 blocks are now completed!
Great Job!
