

Whitlock's Weekly Whimsy

Week 30

Block 51

Cutting:

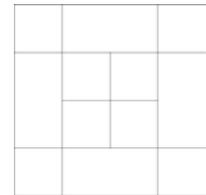

<i>Fabric</i>	<i>Measurements</i>
Color 2 and Color 5	4 @ 2 x 2
Color 8	4 @ 2 x 3 ½

Techniques:

STRIP

Block Breakdown:

If I were making an entire quilt with this block I would definitely use the strip quilting method. It would make the blocks come together so quick and easy. However for just one block it is just as easy to cut each piece and web it together. So that is the way we are going.

Sewing:

This block is also easiest if you lay out all your pieces before you begin sewing. You will need to begin by making the center 4-patch. Press towards color 2 and then pin the center seam.

At this point you can start webbing the block together. Press towards the 2" squares and the 4-patch.
