GEESE.

Block Breakdown:

Another Ohio Star. This time we have a pinwheel in the center. There are no outside edges, so this is a perfect time to make your HST four at a time.

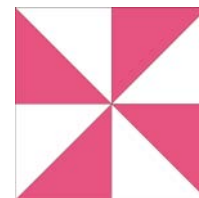

Sewing:

You are going to follow the same plan as for block 28. The only difference is the Pinwheel in the center.

Make your geese. Press towards the sky units.

Make your 4 @ a time HST. Press towards color 11. You can trim the individual HST TO 2" or you can make your pinwheel and then trim it to 3 1/2'. Both ways will give you an accurate unit. Spin the center seam.

Build your block into rows and press the same directions as in Block 28.
