7. Use the same technique as before when sewing the 15" x 38.2" (37 x 97 cm) pieces of fabric 3 and the lining, but now place them along each of the short sides. Sew along the edges, fold out and press.

8. Thread your regular sewing machine and set it for straight stitch.
9. Sew all the 3" x 43" (7.5 x 110 cm) strips together into one long strip. Fold in half lengthwise, wrong sides together, and press.
10. Sew the strip to the back side of the quilt. Fold it around the edge and stitch it to the front side.
