## HANDI QUILTER EVENT JANUARY 11 AND 12, 2019

Amy Domke was a fine arts major in college. When assigned a project using an "unconventional" medium, she made a quilt with the help of her neighbor. Thirty years later, Amy is still quilting. She loves exploring new styles and trying new techniques. After many years of renting time on a longarm at a local shop, she purchased her own machine. She now quilts professionally on an HQ Infinity with the HQ Pro-Stitcher.

Amy teaches quilting classes at her local shop, ranging from ruler classes to longarm classes. She also travels to give one-on-one instruction to new machine owners. From her studio, she also accepts quilt commissions and is in the process of releasing patterns for her original designs. She is a member of the Handi Quilter Inspiration Squad and has been featured in some Handi Quilter ads.
